Presently, “Crystal Report” Forms and Reports are accessed via Push button (Direct Print) within the application and delivered via NSIPS Report Manager.	**After the upgrade, Forms and Reports are accessed via Push button (Direct Print) within the application and instantaneously displayed as PDF files. No more need to navigate to NSIPS Report Manager to view the form or report**

Presently, “Crystal Report” Forms and Reports containing large data (e.g. Command –wide Advancement Worksheet) take inordinate amount of time to generate causing the application to time-out.	**After the upgrade, Forms and Reports containing large data (e.g. Command –wide Advancement Worksheet) are now efficiently processed using an Application Engine (AE) (AE is currently used with Mass Transactions) minimizing application time-outs.**
